SKILLS

- **Languages**: C++, JavaScript, C, PHP
- **Frameworks**: HTML and CSS, Bootstrap, TailwindCSS, NodeJS, React
- **Tools/Platforms**: MySQL, MongoDB
- **Soft Skills**: Problem-Solving Skills, Team Player, Project Management, Adaptability

INTERNSHIP

SWAP INFOTECH — Jun 2025 – Sep 2025

- Completed a Web Development Internship at Swap Infotech, gaining hands-on experience in real-world development processes and project workflows.
- Worked on web-based tasks that enhanced understanding of front-end and back-end development concepts, debugging, and implementation.
- Demonstrated strong problem-solving skills, adaptability, and teamwork, while consistently meeting deadlines and learning industry best practices.

PROJECTS

UNDO-REDU TEXT-EDITOR |link — May 2025

- Designed and developed a custom text editor using React, TypeScript, and C++ backend with full undo-redo functionality.
- Implemented efficient state management using linked lists and stacks for tracking editing operations:

Live stock manager |link — Apr 2025

Tech Stack: HTML, CSS, React, Nodejs, MongoDB

- Developed a full-stack Livestock management system using MERN stack with JWT-based authentication and role-based access control
- Built a responsive, analytics-driven dashboard with global search and data visualization,improving farm monitoring through real-time insights on animals distribution and vaccination

Training

DSA Summer Bootcamp From Basics To Brillance |link — Jul 2025

- Learned core data structures: arrays, linked lists, stacks, queues, trees, and graphs.
- Practiced key algorithms including sorting, searching, recursion, greedy, and dynamic programming.
- Strengthened problem-solving and code optimization skills through hands-on coding challenges.

CERTIFICATES

- Data Structure and Algorithm – NeoCollab -link — Dec 2024
- Object Oriented Programing – NeoCollab-link — Dec 2024
- Cloud Computing – NPTEL – link — Nov 2025

EDUCATION

Lovely Professional University — Phagwara ,Punjab
Bachelor of Technology - Computer Science and Engineering; ***CGPA: 6.7*** — *Aug 2024 - Present*

Rajiv Gandhi Proudyogiki Vishwavidyalaya — Bhopal Madhya Pradesh
Diploma in Computer Science and Engineering; ***CGPA: 8.4*** — *Apr 2021 – Jun 2024*

St Michael's School — Satna Madhya Pradesh
Matriculation; ***Percentage: 55*** — *Jul 2019 – Mar 2020*
